Applicants are required to submit a “Research plan” on the form provided by the Graduate School.

Please contact the office of Graduate School of Economics by E-mail (the E-mail address is below) in advance to inquire whether there are academics who can instruct your research theme, or please contact your desired academic supervisor by yourself.

**If you apply without a permission from your desired academic supervisor, we may not accept the application documents.**

E-mail:ec191@yamaguchi-u.ac.jp

### (9) Confirmation of your name and nationality

Please submit either

(a) Certificate of citizenship of your nation

(b) A copy of your passport

### (10) Self-addressed envelope for returning your Examination Card

An envelope with the applicant’s name, and current address including zip code (no postage stamps required).

(11) Examination Fee

¥30,000 (Japanese Yen)

(A) From within Japan

Attach the receipt from the Japan Post Bank (post office) transfer certificate (for customers) [振替払込受付証明書(お客さま用)] to the back of your application form, after filling all the relevant information in the form and paying the fee into the Japan Post Bank account of Yamaguchi University.

The fee will not be returned, once the application form is received, for any reason except in cases of

- ① having paid, but not having submitted an application form,
- ② having paid twice, or
- ③ the application being rejected at preliminary screening.

(B) From Overseas

Send the application fee by bank transfer, paying all transfer and exchange charges at the point of remittance, plus an additional ¥2,500 (JPY) to cover the cost of international fund transfer acceptance charges levied by Yamaguchi University's bank in Japan.

Please note that the fee must reach our account by the application deadline and that a copy of a proof of remittance (such as bank transfer receipt) showing the amount, the date, the payer and the payee (Yamaguchi University) should be enclosed in the mail with the application documentation.

## Research Plan Guideline

### Proposed Research Plan

How to write a research plan for the master's program

Note that your research plan may be modified through the discussion with your supervisor. You are expected to include the following in your research plan in approximately 700 words except, Title, Bibliography and Footnote.

0. Title

1. Background and Problem Statement

Write the background of your research and clarify the problems to be solved.

2. Objectives

Identify the objectives of your research.

3. Research Questions

Formulate them clearly.

4. Literature review

Introduce articles and books which are most relevant to your research.

5. Rationale

Write the importance of your research and/or how your research contribute to the development of your country.

6. Methodology

Outline your research approach.

If you use data, explain what kind of data you will collect.

When students fail to collect enough data, they may be advised to revise the research plan.

Explain the analytical method you will take, such as descriptive statistics, regression analysis, factor analysis, structural equation modeling.

7. Bibliography

List the papers and other materials to which you refer in your research plan.

Please prepare you research plan with the format on the next page, Save as PDF (Max 2MB) without this guideline page,
